Service Name	Service Description	Amount
Standard Pre-Emergent Weed Control Package	**This package includes the item listed below.**	450.00
• Pre- Emergent Application	• This service provides control for 90% - 95% of annual weeds. Control is achieved by a one-time pre and post-emergent herbicide application during the months of active rainfall (Dec. - Mar.) Control Duration: Dec. 1, 2026 - Nov. 30, 2027	
	Subtotal	$450.00
	Total	$450.00

Job Info: We will treat all areas as shown on the map.

Le Grand Community Services Maintenance Yard Map

Terms and Conditions:
Proposal is accepted when signed copy is returned.

Residual and pre-emergent herbicides used for weed control may remain active in the soil for more than one year. If the treated land is subsequently used to grow desirable plants or crops, either during the contract term or after its completion, Allied Weed Control shall not be liable for phytotoxic injury or damage resulting from herbicide residues in the soil.

We accept payment by check, cash and credit card. Please send checks to our main address or call with credit card info. Note: Payments made by credit card will be subject to an additional 3 % charge.
